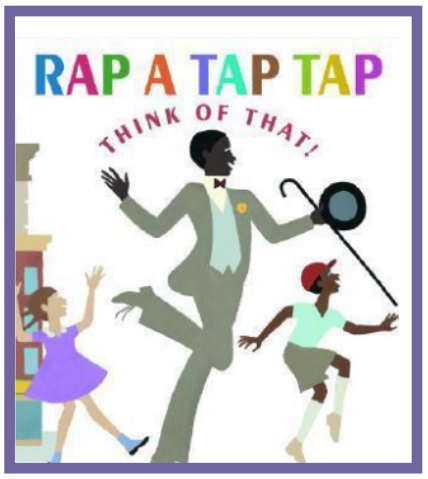
SUNCOAST CAMPAIGN FOR GRADE-LEVEL READING

PRE-K



Rap A Tap Tap

By Leo & Diane Dillon

ACTIVITY: TAP DANCE!

SUPPLIES:

- Pennies
- Clear tape
- Shoes - closed toed shoes work best!

DIRECTIONS:

1. Use a pair of closed-toed shoes and brush off any sand or dirt from the bottom.
2. Make 2 lines of pennies. Each line should be 2-4 pennies depending on the size of your shoe.
3. Use a long piece of clear tape to grab the pennies and then wrap around your shoe. The pennies will be on the bottom of your shoe and the tape will wrap up the sides and over the top of your shoe.
4. Use one line of pennies for the "ball" of your shoe and the other line of pennies for the "heel" of your shoe.
5. Repeat for your second shoe.
6. Start tapping! Turn on your favorite music and dance to the beat.
