## Parent Engagement Programs

Parents play the most powerful and influential role in their children's lives. As a first teacher, brain builder, tech navigator, advocate, and coach, parents set the stage for success.

Parents are the secret sauce!

These Parent Engagement Programs (PEPs) offer a supportive, interactive learning environment. PEPs are available for Parent Universities, PTO meetings, Summer Camp Programs, and Lunch and Learn Sessions.

# MIND in the Making

## Summer Parent Edition

This approach to Mind in the Making (MITM) is led by certified facilitators and encourages parents, using tools and knowledge, to build confidence through books, music, and play.

This set of eight 1-hour interactive workshops focuses on areas of child development and how parents can promote specific life skills in their children.

MITM Summer Parent Edition will be customized to meet the needs of the community.

Potential topics include:

- Executive Function & WOOP
- Focus and Self Control
- Perspective Taking
- Communicating
- Making Connections
- Critical Thinking
- Taking on Challenges
- Self-directed, Engaged Learning

When a minimum of 15 people register for the series of workshops, The Patterson Foundation will provide support for meals, childcare, and the facilitators.

# The Power of Presence

Joy Thomas Moore

## The Power of Presence Book Circles

*The Power of Presence*, by Joy Thomas Moore, inspires parents to “be a voice in your child’s ear, even when you’re not with them.” Joy shares seven pillars of presence to assist parents in being a positive influence and setting good examples for their children.

The seven pillars of presence are:

- Mind
- Heart
- Faith
- Courage
- Resources
- Connectedness
- Values

A Book Circle offers parents an opportunity to read, share, and learn together. By hosting a Book Circle, you also offer your parent community an opportunity to participate, inspire, grow, and bond.

Each Book Circle, of at least eight members, will receive a copy of *The Power of Presence* for each member of the group, a discussion guide, and \$100 for each group meeting. (Minimum of two meetings, maximum of five meetings.)

Brain building moments

## Parent Engagement Opportunity for ages Birth - 5!

New science shows that when we interact with our children, their brains take in all the things we say and do.

VROOM is here to help you turn any moment into a brain building moment.
