

**We are looking forward to your contribution in creating
Suncoast Remake Learning Days
April 21 – April 30, 2023**

Suncoast Remake Learning Days Webversations

Join us to learn more about Suncoast Remake Learning Days happening April 21- April 30, 2023 in Charlotte, DeSoto, Manatee and Sarasota counties. Suncoast Remake Learning Days will provide Experiential Learning opportunities for families throughout the community. Engaging children, parents, and families in a wide variety of learning activities outside of classroom hours and school buildings is a powerful way to create a learning eco-system. Individuals, organizations, and businesses can be involved in Suncoast Remake Learning Days.

In order to catalyze the efforts of individuals, businesses, government, nonprofits and the media, The Patterson Foundation will contribute two levels of support to approved Suncoast Remake Learning Days events. Join us for this 1-hour webversation to learn more. These Webversations will be held on Zoom.
