4th grader Max Tovar shares his perspective on Suncoast Remake Learning Days

After going to about ten events from Suncoast Remake Learning Days I learned that these events can help me work and communicate better with other people. I love how every event is more creative than the last. I think it is interesting how I am learning things that I didn't know could benefit me. I feel like the more people there are the better. As I say, the more the merrier!
