#MakeEveryDayALearningDay

The Suncoast Campaign for Grade-Level Reading is bringing Remake Learning Days to Charlotte, DeSoto, Manatee, and Sarasota counties in the spring of 2022, and we want YOU to be a part of it!

Suncoast Remake Learning Days is a 10-day festival of free events for children and families...think of it as the world's largest multi-site open house from April 29 to May 8, 2022.

Suncoast Remake Learning Days events will be organized by [learning themes](#), including the arts, maker spaces, outdoor learning, science, technology, and youth voice. In addition, there will be professional development opportunities for school, out-of-school, child care, and non-traditional educators.

Suncoast Remake Learning Days will build on the assets and strengths of our region, reinforcing the knowledge that **Learning Happens Everywhere** and affirming that we are working together toward greater outcomes for our children and families.

Thanks to the generosity of [The Patterson Foundation](#), these multi-generational hands-on learning experiences will be robust, free, accessible, and open to the public.

The time to express your interest in being part of this exciting opportunity is

now! Use this QR code, and a Suncoast Campaign for Grade-Level Reading Engagement Team Member will connect with you or email Beth Duda at bduda@thepattersonfoundation.org for more information.

We welcome your thoughts. Contact us at info@GradeLevelReadingSuncoast.net.
