**Join the Suncoast Campaign for Grade-Level Reading and  
The Patterson Foundation for Remake Learning Days!  
April 21–April 30, 2023**

**Families, mark your calendars now...more details coming soon!**

Suncoast Remake Learning Days is a 10-day festival that celebrates the many learning

opportunities in our community. This celebration highlights innovative experiences and opportunities for youth and participants of all ages to develop their sense of creativity, perseverance, and curiosity.

Establishments, including schools, museums, libraries, after-school organizations, early child care centers, colleges, universities, media centers, faith-based organizations, businesses, tech startups, and other entities, will open their doors to welcome families. Operations will also travel into neighborhoods to host hands-on, engaging educational experiences for pre-K through high school youth and their families, caregivers, and educators. **These events are free and open to all.**

Suncoast Remake Learning Days events are organized by different learning themes such as arts, maker, outdoor learning, science, technology, and youth voice. In addition, there are professional development sessions for school, out-of-school, childcare, and non-traditional educators.

If you missed last year's Suncoast Remake Learning Days 10-day festival, glimpse the recap, and save the date for 2023, happening April 21-30 in Charlotte, DeSoto, Manatee, and Sarasota counties!
